When falling snow reaches an amount of 2", or sleet or freezing rain makes travel treacherous, a **snow emergency** will be declared. During this time parking on streets that have the snow route designation is prohibited or restricted for snowplowing or clearing until operations are completed.

## The Snow Emergency Routes

- Poplar Street
- Lindenthal Avenue
- Washington Street from Lindenthal Avenue to Broadway
- Walnut Street from Broadway to U.S. 40
- Hemlock Street
- Cypress Street from Broadway to 6th Street
- Sycamore Street
- Woodcrest Drive
- 6th Street from Poplar Street to Walnut Street
- Broadway
- Sunflower from Coventry Way to Broadway
- Coventry Way from Sunflower to Iberg Road

These streets are posted with signs indicating the snow emergency route designation.

In the most current fiscal year which ended April 30, 2010, the Street and Alley Division of the Public Works Department expended 929.75 man-hours on snow and ice control duties. In the last couple of weeks we have taken delivery of 250 tons of salt which has both of our salt storage areas filled to capacity. Equipment is being prepared and we're ready.
